Welcome to the Waterbury Police Explorers!

As a trainee with the Waterbury Police Explorers, you will be required to complete a probationary period of three (3) months, and you must complete a minimum of eight (8) training courses held at the Weekly General Meeting during your probationary period. You must complete the application process within this three (3) month period. Please note that the program works with you not for you, you will only get what you work for

Some classes that you will be exposed to include, but are not limited to:

- Marching and Discipline
- Radio Codes and Procedure
- Handcuffing
- Traffic Control Methods
- First Aid and CPR Certification
- Report Writing

You will be expected to read and know the Waterbury Police Explorer Post 4141 By-Laws. There you will find additional expectations and requirements of being a Waterbury Police Explorer. You may be subject to a written exam on the Waterbury Police Explorer By-Laws which you must pass with a 70% or better to continue as a Waterbury Police Explorer.

You will be expected to respect the Explorer chain of command, and all the rules and regulations of the Explorer Post. If you fail to do so, you will be subject to disciplinary action based on the Waterbury Police Explorer By-Laws.

Upon meeting the above standards and membership requirements, you will have the unique opportunity to give back to the community in a unique manner. You will be treated as an adult and held to higher standards than other youth the same age as you. We treat the Waterbury Police Explorers like the Police Officers of tomorrow and are held to the same standards and code of ethics as sworn members of the Waterbury Police Department are held to.

You will have the opportunity to attend Explorer events, and work side by side with police officers, but it is an opportunity you will have to earn through hard work and dedication. Members of the post that are 16 years old or older that have received certain training will be allowed to participate in the Waterbury Police Department Ride-A-Long Program. **Explorers are not Police Officers.**

Here at the Waterbury Police Explorers Post 4141 we have an "Open Door Policy," any problems you may be having please do not hesitate to contact the appropriate supervisor, depending on the severity of the issue.

Lastly, we are proud and excited to start this journey with you. Best of wishes and good luck!
